## **Record July at Terme Čatež**

Pursuant to the regulations of the Ljubljana Stock Exchange Rules (Ljubljanska borza, Ljubljana) and the adopted legislation, Terme Čatež company, Topliška cesta 35, 8251 Čatež ob Savi, releases hereby:

122,698 overnight stays were realized in July 2017 at Terme Čatež, which is by 9.1 % more than in the same month of the year before.

Registered was also a record number of entries to the swimming pools, i.e. 152,775 bathing guests, which is by 8.3 % more than in the year before.

The forecasts, not only for the coming August and September but also for the rest of the year 2017, show a growing tendency both in overnight stays and in the number of guests to the swimming pools.
